WALES v Ireland  
5.30pm, Saturday 21st March

## **Newsletter - Quarter 1, 2009**

### New lake starting to take shape...

Since the New Year, the Greenkeepers at Fairwood Park have been busy working on several course improvements which are now coming to fruition. Arguably, the most significant of these is the creation of a new lake on the 10th hole to replace the greenside bunker that previously existed there.

### ***Construction of new lake by the 10th green***

Since the lake has been taken further out into the fairway it will now become a much tougher strategic hazard, requiring golfers to think carefully about their 2nd shot into the green, as well as the number of balls left in their bag!

---

### Forthcoming Social Events at Fairwood Park
